

Friday 10th January 2025

Dear Parents / Carers,

Falcon Spring Term Curriculum Letter

Welcome back to Falcon class for our Spring Term.

This term we have some exciting topics to focus on such as North America in geography, Changing States in science and different faiths in R.E. We have a visit to Exeter University to take part in a day of music with the Bournemouth symphony orchestra and swimming every Wednesday. Our full Falcon curriculum is on the school website and can be accessed by the following link: www.upottery-primary.devon.sch.uk/curriculum/

We have our P.E sessions on a Monday and Wednesday this term, children will wear P.E kit all day on both of the days. Monday will be outdoor sport (weather dependent) and Wednesday will be swimming. For swimming a snack after swimming is always appreciated and a warm coat.

In Falcon class we don't set formal homework, however each week I expect the children to read daily, and during the week for about half an hour to access online learning such as Lexia, Spelling Shed, UR Brainy at home, please ask for another copy of their passwords if you have misplaced yours. They will also have a speed multiplication activity every morning, it is essential that children in year 5/6 have a thorough knowledge of all multiplication tables to enable speed arithmetic for their Summer Key Stage 2 Sat's. For Year 6 there is Monday SAT's preparation club for those who wish to attend. 3:30 – 4:30pm

Many thanks for your continued support. Please contact me if you have any concerns either in person or by email.

Yours Sincerely, Dianna Yallop -
